**Subject:** FW: Drug sample testing numbers

Nancy and Jim,

Major Connolly is looking for the J.P. and Amherst backlogs as of August 1, 2012 and January 1, 2013.

I remember the JP backlog at the end of August was around 8,000 cases 13,000 samples.

Jeremy

I can wait. My memory was as of July 1st our backlog was 300 cases. JP had about 10,000. Can you double check?

Thanks

Hi Major,

The MSP Sudbury drug backlog was 628 in August, 2012. I was told that the Jamaica Plain Drug Laboratory had an approximate 8,000 case backlog in August.

The MSP Sudbury drug backlog, including JP, as of January 1, 2013 was approximately 11,200.

I unfortunately do not have access to the Amherst numbers. I tried calling out to Jim and Sharon but no one answered.

Jeremy

**Subject:** Drug sample testing numbers

Hi Terrel and Dave,

Can you tell me the number of backlogged cases of drug samples waiting to be tested in the state labs as of August 1, 2012 and the number of backlogged cases as of January 1, 2013?

Thanks,  
Kathy
